JCM 100 SERIES DUCTILE IRON LUG UNIVERSAL CLAMP COUPLINGS

Same GREAT Design

Same GREAT Materials

Now with More Corrosion Resistant Coating

**Ductile Iron Lugs NOW with JCM Black Coating for improved
corrosion resistance for long term performance**

NEW JCM Black Coating is provided on these quality JCM Universal Clamp Couplings!

JCM 101 Universal Clamp Coupling - Single Band
JCM 102 Universal Clamp Coupling - Multi Band
JCM 103 - 104 Tapped Outlet Universal Clamp Coupling
JCM 171 Removable Lug Univ Clamp Coupling - Single Band
JCM 172 Removable Lug Univ Clamp Coupling - Multi Band
JCM 173 - 174 Tapped Outlet Removable Lug Clamp Coupling
JCM 105 Collar Leak Clamp
JCM 175 Removable Lug Collar Leak Clamp
JCM 108 Sewer Clamp
JCM 121 Gas Repair Clamp
JCM 123 Gas Service Clamp

The new JCM Black Coating is a step above the previous shop coat base primer used on the lugs in the past. This lug coating is more durable, corrosion resistant and has improved adhesion qualities to provide long-lasting, resilient protection from the environment and elements - at the same low price.
